

## HIGH COTTON CLASSIC 2017 – EVENT INFORMATION

### **Directions / Parking**

Map to the High Cotton Classic is on the website

Tons of parking – easy pull in for trailers. Signs will direct you.

### **Registration**

Park, unload cart, drive cart up to big yellow registration tent – there is a parking area for your carts at Registration

If you have reserved a rental cart, you can pick that up in the registration area.

Walk through registration – check in, sign release form. You will get a wristband that identifies you as shooting guest, a shooter number patch to stick on your shirt, an entry ticket for the grand prize drawing, and a ceegar. You will then be directed to a second tent to pick up your case of shells (12 or 20ga) and your gift package.

Load up – MOVE YOUR CART TO THE STAGING AREA – there will be numbered signs that will match your starting station (middle 2 numbers on your shooter number) **NO CARTS IN THE YARD AREA**

There are gun racks at each station and in the yard – please insure your gun is SAFE – UNLOADED – ACTION OPEN as you are moving around the property.

Registration opens at 7:30 for the morning flight –

We recommend afternoon flight shooters arrive any time between 9:00 and 10:00 to get checked in and enjoy the short course, games and lunch before their sporting clay round.

### **Sporting Clay Flights**

All shooters need to be at their cart in the staging area at 8:30am for the morning flight and 2:00pm for the afternoon flight safety meetings. After instructions and prayer – carts will be led onto the courses caravan style and signs will direct you to your starting station for the Shotgun start.

There will be two foursomes starting at each station – like “double-teeing” a golf tournament. The first four shooters will shoot the station and move on to the next – then the other 4 will shoot and follow. Our goal is to always have 4 shooters shooting at each station and 4 shooters in route between each station. Once you complete your final station, you can return back to parking area and walk down to the yard for food and games.

If you have a rental cart – **YOU MUST RETURN IT AS SOON AS YOU GET OFF THE COURSE** – they need to be turned around for the afternoon flight.

**Food & Games**

The BBQ lunch will be served from Noon to 2:00 – go through the line any time – your wristband indicates you receive lunch.

Yard games and 50 shot short course open at 9:30am – 3 game tickets for the short course, 1 game ticket for all other games. You can buy additional tickets at registration, in the yard, or you can pay cash at the games. (\$10 per ticket)

The High Cotton Café is hosted by our friends at WCCCS and will open at 4:00pm with wings, sausages, and other finger foods to enjoy while watching the games and shoot-offs.

**High Cotton eScoring**

Our trappers will be using tablets and a custom app to record your scores that will be updated live on the big monitor on the clubhouse porch.

You can check your group's score at any time using your smartphone:

[www.highcottonclassic.com/scoring](http://www.highcottonclassic.com/scoring)

Enter your 4-digit group number and click "Load" – hit refresh to update.

There will be shoot-offs for each course & each flight – Top 5 shooters from each – to determine Grand Champion. Lewis class scoring will also be used to determine the winners of each flight.

*See you at High Cotton!!*
